AUDITIONS

for ACTORS ages 14–19 for roles in:

Come join Curious George, the inquisitive, lovable monkey, and his friend the Man in the Yellow Hat, in this brand-new live action show! All You-Can-Eat Meatball Day comes just once a year and George can't wait to help his friend Chef Pisghetti cook and serve them up to a hungry crowd. But this year, the crowd has vanished! It seems they've been lured away by Phinneas T. Lightspeed and his speedy Meatballs-o-Matic machine. But George goes on a mission to help his friend and enters the Chef's meatballs in the world-famous Golden Meatball Contest in Rome. With every swing and flip, George takes the audience through a fun-filled adventure, in which he learns more about traveling, history, and the secret ingredient to friendship! *Curious George: The Golden Meatball* is a loveable adventure for young audiences that is sure to leave them singing and swinging down the aisles!

One of the most popular and endearing children's classics comes to life onstage in Frances Hodgson Burnett's *The Secret Garden*. It tells the story of "Mistress Mary, quite contrary," a neglected and disagreeable little girl who, after finding herself orphaned in India, is sent off to live in a gloomy castle in England, occupied by her widowed and miserable Uncle Archibald Craven. But as Mary begins to wander the castle grounds, the fresh air and exercise begin to make her less "contrary" and, most powerful of all, the discovery of a hidden, neglected garden rouses her curiosity and a desire to discover its secrets and nurture it back to life. A timeless and beautiful story about personal growth and healing, not only plants and flowers, but yourself and the friends and family around you, don't miss *The Secret Garden* at the Majestic!

We are seeking teen actors for our 2024 productions!
